

## Forest Hills Cemetery

95 Forest Hills Ave, Boston, MA 02130

---

Forest Hills Cemetery welcomes photography that celebrates the beauty of its landscape, architecture, and memorial sculpture while respecting the privacy of the families we serve.

### General Photography Guidelines

- Photography of architecture, landscape, wildlife, and sculpture is permitted
- Photography of headstones is prohibited unless conducted by the deceased's next-of-kin or lot owner
- All photographers must check in at the Cemetery Office during visiting hours
- Cemetery rules and regulations must be observed at all times

These guidelines apply to both still photography and video recording.

### Photography Permits

Personal-use photography requires submission of an Application for a Permit for Photography. After review, you will be notified whether permission has been granted. Requests for photography outside of regular business hours may be considered with advance approval.

**Commercial photography is not permitted.**

### Genealogical & Third-Party Photography

Photography of headstones for third-party platforms such as Find A Grave is prohibited unless conducted by a family member or lot owner. Please contact the Cemetery Office with any questions regarding these policies.
